PROFILE

I am experienced as a developer and editor. I strive to achieve exceptional results by combining my coding and editing skills. I am proficient in various programming languages and have expertise in content editing. I am open to innovation, a fast learner, and continuously evolving.

PROFESSIONAL EXPERIENCE

September 2022 – present	**Catak Engineering,** Developer I am currently providing remote Web and SQL support.
August 2021 – July 2022	**Youtube,** Video Editor I had the opportunity to work with a minecraft youtuber before. i edited a few videos of him.
January 2020 – February 2022	**Discord,** Verified Bot Developer I developed a bot for communities called **PhotoBox**. This bot was a recreational bot with 30 commands. It was automatically sharing memes, videos and photos thanks to some APIs.

EDUCATION

September 2023 – present	**Kirklareli University** Computer Science
September 2019 – June 2023 Tekirdag, Turkey	**Cemile Yesil High School** I studied English as a foreign language.
